In the event of minor snowfall, an exclusive tour of the Upper Lakes area, which is otherwise closed to other visitors in the winter, would be done in the morning, followed by a visit to the Čorkova Uvala lodge and a walk to the edge of the forest, where some time would be spent enjoying the snow. In the event of significant snowfall, an exclusive tour of the Upper Lakes area would be done on the 2nd day of the stay, followed by a tour of the Lower Lakes area.
